**AR Paints & Flooring Debuts Line of  
Sansin Enviro-Friendly, Water-Borne Wood Finishes**

Strathroy, Ontario, Canada and San Clemente, CA – May 31, 2013 – [The Sansin Corporation](#) today announced that its line of exterior Enviro Stains for siding, decks, furniture and log homes, as well as Sansin’s Purity® interior stains and the Eco-Tone™ color system, are now featured at AR Paints & Flooring in San Clemente, Calif.

In addition to Sansin exterior and interior wood finishes, AR Paints & Flooring will also carry Sansin’s Wood Cleaner, Lightener, Sealer, Aqua Guard and Paint and Stain Remover. The retailer will also offer custom color matching with Sansin’s unique tinting system.

AR Paints & Flooring is known as the painting professional’s and homeowner’s choice in San Clemente for the last 39 years.

“AR Paints & Flooring focuses on high-end, environmentally friendly, one-of-a-kind home remodeling products, and Sansin’s wood finishes fit this profile nicely,” said Andres Rodriguez, Owner of AR Paints & Flooring. “Regulations will make solvent-based products a thing of the past, and our store is lining up an array of quality products, like Sansin’s, that meet or even exceed the performance of traditional solvents.”

AR Paints & Flooring is able to create custom colors on demand for wood finishing or color match to an existing wood finish. “Sansin’s unique tinting system allows us to make our customers’ wood finishing projects stand out,” added Rodriguez.

“AR Paints & Flooring offers a high level of personalized customer service that is so important for successful wood finishing inside and out. Both of our companies are dedicated to showing homeowners and contractors that you can achieve a lasting, beautiful wood finish without the toxicity found in conventional stains,” said Sjoerd Bos, Vice President of the Sansin Corporation.

Sansin’s product lines include:

- **Enviro Stains** – Exterior wood stains (DEC™, Classic™, SDF™) protect wood through Sansin’s unique “water-borne” formulas; they contain no harsh or flammable solvents and allow wood to “breathe” naturally, inhibiting decay and increasing durability and performance.
- **Purity® Interior Stains and Clears** – Environmentally friendly interior stains, gels and clears that protect and color the inside of the home without releasing harsh toxins into the air.

- **Enviro Stain Cleaners and Sealants** – Easy-to-use and highly effective cleaners to help remove weathering, dirt or paint, and environmentally friendly sealants designed to give maximum protection to wood or masonry.

### **About AR Paints & Flooring**

### **About Sansin**

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, 'water-borne' interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within.

Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, its line of Enviro Stains or how to become a Sansin preferred dealer, visit [www.sansin.com](http://www.sansin.com).
