Sansin Announces Winners of 3rd Annual Photo Contest

--Three winners selected for stunning pictures of their exterior, interior and deck wood finishing projects--

Strathroy, Ontario, Canada – November 7, 2011 – [The Sansin Corporation](#) today announced three winners in its third annual photo contest, which ran from April through September 2011. Sansin wood finish customers competed for an iPod nano and up to 30 gallons in maintenance stain in three categories: Best Exterior, Best Interior and Best Deck.

With more than 50 submissions, the winners were announced last week and are as follows:

Exterior Category

Submitted by: Colonial Concepts Log Homes
Location of project: Cameron, Ontario
Product used: Sansin SDF Autumn Gold Nano #16, SDF Light Honey Nano #15 on Cedar Shakes of Gables and trim done with a combination of SDF and top coated in ENS Kelp #63

Interior Category

Submitted by: Blusea Design
Location of project: Exclusive Golf Resort in Denmark (Construction by Mile High Log Homes)
Product used: Sansin Purity Interior Clear Satin #3110

Deck Category

Submitted by: Chris Hull of DSV Painting
Location of project: Private home in the hills of North Tustin, CA
Product used: A custom mix of Sansin DEC Red Oak #73

“Our photo contest is one of the most anticipated programs we run each year,” said Ute Vieira, Inside Sales Representative at the Sansin Corporation. “Customers take their projects very seriously and are proud of their accomplishment, so recognition such as this means a lot to them – and to us.”

About Sansin

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, 'water-borne' interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within.

Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, its line of Enviro Stains or how to become a Sansin preferred dealer, visit www.sansin.com.
