**About Sansin**

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, 'water-borne' interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within. Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, its line of Enviro Stains or how to become a Sansin preferred dealer, visit [www.sansin.com](http://www.sansin.com).
