

**The Sansin Corporation Announces 2015 Photo Contest Winners**  
*Customer Entries from North America and Europe Illustrate Beauty and Performance  
of Sansin Wood Finishes and Stains*

**Strathroy, ON – March 23, 2016—**[The Sansin Corporation](#), a global leader in environmentally friendly wood protection, today announced the winners of its sixth annual photo contest. Each year, Sansin customers are invited to submit a high-resolution photo of a project on which they've used a Sansin product. Winners were selected in the deck, exterior and interior categories. Prizes awarded are an iPad Mini plus up to 30 gallons of product (maximum \$1000 CAD value) for the deck and exterior categories, and an iPad Mini for the interior category.

"We're delighted to see the attractive results our customers have achieved with Sansin's performance-proven, ultra-premium wood stains and finishes," said Sjoerd Bos, Vice President, Sansin. "The versatility, durability and ease of use of our products are well suited to the creativity these DIYers have demonstrated."

**Exterior Finish Winner** submitted by Dennis Brubacher, Wallenstein, ON, Canada for an earthscape sculpture using Sansin DEC in Chesapeake 67, Light Oak 29, Primary Yellow 90, Fairview Taupe 1113, Butternut 24, as well as Mocha 58 and Pine 05 on the body of the sculpture.

**Interior Finish Winner** submitted by Brad Wolfe, Winnepeg, MB, Canada for stall walls and ceilings of a stable finished in Sansin Purity Interior Stain in Natural Cedar 1101 and topcoated with Sansin Classic Clear UV.

**Deck Finish Winner** submitted by Mathiew Moineau, St. Jerome, QC, Canada for a bi-level deck and staircase finished in Sansin DEC in Espresso #17.

**About Sansin**

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, 'water-borne' interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within. Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, or how to become a Sansin preferred dealer, visit [www.sansin.com](http://www.sansin.com).
