Sansin Corporation Announces 2013 Photo Contest Winners

--Sansin customers from North America and Europe entered photos of their exterior, interior and deck wood finishing projects--

Strathroy, Ontario, Canada – April 2, 2014 – [The Sansin Corporation](http://www.sansin.com) today announced winners in its fifth annual photo contest. Sansin selected a winner in the deck, exterior and interior categories. Winners receive an iPod nano and up to 30 gallons of Sansin Enviro Stain (a \$1,000 value).

Each year, Sansin customers are invited to submit a high-resolution photo of their Sansin project. “This year’s contestants showed us the variety of ways one can utilize our custom, translucent, saturated, solid or clear finishes to achieve a unique and stunning look, no matter what the project,” said Sjoerd Bos, Vice President of Sansin.

Exterior Finish Winner: Customer from Welland, Ontario, Canada
A cedar play set was finished with two coats of Sansin SDF™ in a custom color.

Interior Finish Winner: Customer from Perth, Ontario, Canada
The white pine floor and ceiling was protected with Sansin Purity Interior Clear™.

Deck Finish Winner: Customer from Windsor Junction, Nova Scotia, Canada
The pressure treated wood deck was finished with Sansin DEC™ in Butternut #24 color.

About Sansin

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, ‘water-borne’ interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within. Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, its line of Enviro Stains or how to become a Sansin preferred dealer, visit www.sansin.com.
