

Club 1986 – communication to members

## **Introducing Sansin's Club 1986 Loyalty Program**

The [Sansin Corporation](#) is pleased to announce **Club 1986**, an exclusive loyalty program available to members of the BC Log & Timber Building Industry Association (BCLTBIA) and the International Log Builders Association (ILBA). Club 1986 is designed to bring log home builders, timber framers and Sansin coating experts together to ensure your projects receive the best wood coating protection.

### **What is Club 1986?**

Club 1986 – named for the year Sansin was founded – is a prestigious loyalty program designed to support your wood building with durable, sustainable, and beautiful wood coatings from participating dealer locations. Club 1986 is exclusively available to members in good standing of the premier log industry associations: BCLTBIA or ILBA. The card entitles you to a discount at your local participating Sansin registered dealer.

*No matter where you build, you can meet a certified Club 1986 Sansin dealer and receive your Club 1986 professional coating expertise and service.*

### **How Do I Apply?**

Attendees of the BCLTBIA Annual Conference and the ILBA Annual Conference can apply for their personalized Club 1986 at the Sansin booth. Upon approval, you will receive your Club 1986 card by mail. Club 1986 cards will expire annually on December 31.

You can apply to participate in Club 1986 here: <https://www.sansin.com/club1986/>

Sansin will review your Club 1986 membership application within 30 days of application. You will then be connected to a participating Sansin registered dealer to service your wood coating needs.

### **Questions?**

If you have any questions about Club 1986, please contact us at [club1986@sansin.com](mailto:club1986@sansin.com)

Club 1986 will aid relationship building within the log and timber industry and provide cost effective way for you to purchase high-performing, durable and beautiful wood protection products from our extensive dealer network.
