**Sansin Corporation to Donate its Eco<sup>2</sup> Recycled Stain;  
Seeking Community Project Nominations**

STRATHROY, Ontario– Feb. 19, 2013 – [The Sansin Corporation](#) today announced that throughout 2013 they will give away their Sansin Eco<sup>2</sup> wood stain to qualifying community projects across Canada and the U.S.

The company is accepting applications from groups or communities that could use Sansin's help to beautify and rejuvenate a building or structure important to furthering the group's mission.

Nominations should be sent to [marketing@sansin.com](mailto:marketing@sansin.com)

\*To submit a project for consideration, please describe:

- the project,
- type of wood,
- why the organization's building needs the donated wood stain,
- how it would make a difference
- total sq feet of the project
- a picture of the existing structure
- the contact person

In 2012 Sansin announced Eco<sup>2</sup>, its new zero-waste solid color exterior and clear interior wood stain. Eco<sup>2</sup> has been offered as a limited edition stain and is available in standard colors of lava, adobe and charcoal colors and some custom colors may be considered for the exterior and clears for the interior, available exclusively for special philanthropy projects.

**About Sansin**

For 25 years, Sansin has been the only wood protection company focused exclusively on researching, developing, and introducing environmentally-friendly, 'water-borne' interior and exterior wood products and technologies that deliver outstanding color, durability and performance without the toxicity found in conventional stains. Sansin Enviro Stains use water, not oil, to deeply penetrate and protect wood naturally, from within.

Headquartered in Ontario, Canada, Sansin has dealer locations across Canada and in the U.S. To learn more about The Sansin Corporation, its line of Enviro Stains or how to become a Sansin preferred dealer, visit [www.sansin.com](http://www.sansin.com).
